Subject: Entry Test to Confirm Admission in MS Community Health & Nutrition Program Autumn 2015

Dear Student,

This is with reference to your admission in PGD Leading to MS Community Health & Nutrition Programme. Hopefully you would have finished the exam of your 1st semester and would have already submitted the fee of 2nd semester.

However to get admission in MS Community Health & Nutrition (3RD SEMESTER) Passing the departmental test & interview is mandatory. Earlier this test was conducted by NTS which is now replaced by departmental test as per guidelines of HEC.

Students who have appeared in the 1st semester's exam and want to continue their study are intimated that department has schedule the **entry test on 25th August at 10:00** am in your closer region including; Multan, Lahore, Faisalabad, Quetta, Peshawar & Islamabad (Block No. 6). However for Interview all the students need to come Islamabad Main Campus along with Original Documents and a set of attested documents. The **Interview** will be held in Department of Home & Health Sciences, Block No.6 AIU Islamabad on **31st August at 9:00am**. Students who could not appear in test/interview will not be able to get admission in MS Community Health & Nutrition. Student's who passed the test/interview will be intimated by the admission department to submit the fee of 3rd semester. So all students are advised not to submit the fee until they get letter from admission department after appearing in test/interview.

For any query feel free to contact department on following telephone numbers:
