AIOU Sustainability Report 2020 and 2021

AIOU Course Mapping on United Nations' SDGs				
Faculty of Sciences				
United Nations 17 SDGs	PhD	MS/Mphil	Masters	BS/BEd/B.A
1. No Poverty	This ranking focuses on universities' research on poverty and their support for poor students and poor members of their local communities.		541, Block I&2, 5562 unit 1, 5563 unit 1, 5571	
2. Zero Hunger	This ranking focuses on universities' research on hunger, their teaching on food sustainability and their commitment to tackle food waste and address hunger among students and local communities.		541, Block I&2, 5562 unit 12, 5571	
3. Good Health and Wellbeing	This ranking focuses on universities' research on the key conditions and diseases that have a disproportionate impact on health-care professionals, and the health of students and staff. It is not a general measure of a university's medical teaching and research.		6008 (K-310), 6009 (1-7), 6054-9163 (1-9), 6055 (1-9), 6062 (1-6), 609, 6095 & 6098 (4, 5), 6095(2), 6098 (15), 6095(2, 10), 6775 (9), 9613 (10, 10), 9613 unit 10, 541, Block I&2, 5562 unit 12, 5571	601101, 60201, 60202, 60400/6, 6483 (all units)
4. Quality Education	This ranking focuses on universities' contribution to early years and lifelong learning, their pedagogy research and their commitment to inclusive education. As early years provision and lifelong learning are not the main focus of education at universities, this table should not be used to assess the overall quality of teaching at a university.	6734 (1-9)	7041 (1-8), 7231 (1-18), 7242, 131, 5775 (1-9), 5776 (1-9), 5787 (1-9), 5788 (1-9), 5789 (1-9), 5790 (1-9), 5796 (1-9)	6003 (1, 4, 5, 18), 6008 (1-18), 6009 (1-18), 6097 (2, 11), 6099 (1, 3, 8), 6088 (1-18), 6046 (1-9), 6042 (1, 2), 6045 (10), 6095, 6095 (8, 4094 (4-7), 5069 (1-9)
5. Gender Equality	This ranking focuses on universities' research on the study of gender, their policies on gender equality and their commitment to recruiting and promoting women. The SDG itself places this explicitly as supporting women. We cannot hope to develop the world sustainably if the needs of over half of our population are not addressed.		6008 (1-7, 11, 18), 6009 (12, 13), 6051 (6-8), 6052 (1, 4, 6-9), 60416 (1, 8, 9), 6042 (7), 879 (1, 6, 7, 8, 9), 600212, 17, 19, 9613 (2)	6162 (1-9), 6160 (2-9), 9175 (9-9), 6053 (1-9), 9160 (1-9)
6. Clean Water and Sanitation	This ranking focuses on universities' research related to water, their water usage and their commitment to ensuring good water management in the building.			
7. Affordable and Clean Energy	This ranking focuses on universities' research related to energy, their energy use and policies, and their commitment to promoting energy efficiency in their buildings.		9353 / 8064- 4656 unit 1 & 2.	6404(5,6)
8. Decent Work and Economic Growth	This ranking focuses on universities' role as an engine for economic growth and their responsibilities as employers. It explores institutions' economic research, their employment practices and the share of students taking work placements.		6006 (14, 18, 15), 678 (13), 6098(10, 11, 16), 5070(9), 6059 (all units), 5562 (12), 5567 (8)	9133(1-9)
9. Industry, Innovation and Infrastructure	This ranking focuses on universities' role in fostering innovation and serving the needs of industry. It explores institutions' research on industry and innovation, their number of patents and spin-off companies and their research income from patents.		6008 (1-6), 6052 (1), 6097 & 6098 (8, 9), 5664 (5), 5670(6), 9353 / 8064- 4656 unit 1 (2, 3), 6695(509 (9))	7001 (1-9), 5401(1-9)
10. Reduced Inequalities	This ranking focuses on universities' research on social inequalities, their policies on discrimination and their commitment to recruiting staff and students from under-represented groups.		6095(12, 17, 18)	9175 (3-9)

Govt's TeleSchool project for online classes goes on air today

The educational television channel, TeleSchool, will start broadcasts from today (Tuesday) for children in grades one through 12, education officials said on Monday.

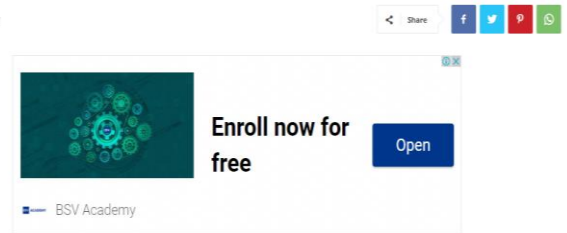

The channel has been developed by the Ministry of Federal Education and Technical Training in collaboration with the Pakistan Television (PTV) and the Allama Iqbal Open University (AIU) with additional input from several non-governmental organisations (NGOs).

The channel, launched with the slogan 'education at home', will provide educational content to students for the period schools remain closed in the country owing to the novel coronavirus (Covid-19).

A time-table has been created for the channel whereby "classes" will be offered for students of grades one through 12 at set times. The broadcast will run from 8am to 6pm on PTV.

Education Ministry, AIU sign contract to set up 4 Satellite Educational TV Channels

By Mail August 17, 2022

ISLAMABAD, Pakistan: The Ministry of Federal Education and Professional Training (MoFEPT) and Allama Iqbal Open University (AIU) signed a contract on Wednesday for broadcasting and development of distance learning content which also includes upgradation of facilities and capacities at AIU.

WELCOME TO AIU LIBRARY NETWORK

Central Library AIUQ: A virtual tour

AIU Library Network

The Allama Iqbal Open University (AIU) has libraries in its 49 regional campuses across Pakistan. The Central Library is the focal of these libraries.

The Central Library has state of the art systems and has over 137,000 books on a variety of subjects. The inherent objective of the Library is to support the academic activities by the AIU faculty and students. The Library also serves as an information & knowledge resource that promotes library culture by extending the access to the faculty, students and knowledge seeking people from other academic institutions and the general public.

The Library has digitized the theses by AIU students. The database is available in the Theses Section known as AIU Research Repository.

The Library provides attractive study and research environment. The facilities include over eighty internet-connected computers, numerous study carrels and a number of reading areas.

The Library OPAC is developed in KOHA.

Library Functions

- To support information pursuance, study, teaching and research
- To develop information resource and relevant technological and physical facilities to support study, teaching and research
- To facilitate AIUQ faculty in developing the distance learning study material/content
- To develop efficient systems and procedures by implementing cutting-edge technologies and best practice and support Regional Libraries to develop on the same line
- To serve as a holding organization of literature produced by the Pakistani authors and also to promote library/reading culture by extending access to the individuals from outside the University.
