

AIOU's collaboration with NGOs to tackle the SDGs

UN Sustainable Development Goals (SDGs) are 17 milestones to be achieved by all the signatory nations. Pakistan being part of this global effort is endeavoring to achieve these SDGs. AIOU has collaborated with a number of NGOs for promoting education and to tackle SDGs.

The project “Collective Action on Knowledge Economy with Technology” (CAKE-Tech) has been established with the conviction that Cyber technologies can function as a tool for targeting the SDGs.

AIOU collaborates with NGOs to tackle the SDGs through:
