ALLAMA IQBAL OPEN UNIVERSITY

Allama Iqbal Open University, a mega university was established in 1974 under an Act of Parliament. The main campus of the university is situated in sector H-8, Islamabad. It was the second open university of the world and the first of its kind in Asia and Africa. The aim of establishing AIOU was to provide affordable and accessible education through distance learning at the doorsteps to those people who could not continue their education journey through formal system of education. The University (AIOU) operates on semester system and admits students in Autumn and Spring semesters. Undergraduate admissions are offered in both semesters where-as postgraduates are offered once a year. The enrolled students are given course books specially prepared by the university on self instructional principles. However, at post graduate level reprints of foreign books alongwith allied material and university prepared study guides help students to polish their skills.

At present, the AIOU is offering programmes from Matric to PhD level in diverse disciplines comprised of four faculties. The university has established study centres across the country where distance education students are provided necessary guidance by their respective tutors. Moreover, the university has established full-time study centres wherein the students of MBA (IT), MBA (Banking and Finance), BS (CS), MSc/BS Chemistry, MSc/BS Microbiology etc. are being provided instruction, guidance, and counseling through face-to-face education. AIOU is also offering four years under-graduate degrees.

Apart from curricular and extra-curricular activities during the academic year, the AIOU and its regional centres actively participate in the co-curricular activities by arranging educational and literary seminars, workshops, and conferences, attended not only by the students and faculties of the university but also by the renowned dignitaries and scholars. For the science students and the research

scholars, a science complex has been built where they use the latest equipment of international standard for experiments and research. To meet the present-day challenges, internet facility is also available in the student hostel and the Central Library where computers have been provided to enable students to access latest information available through open-source databases.

FACULTY OF SOCIAL SCIENCES AND HUMANITIES

First established in 1981 with five departments, the Faculty of Social Sciences and Humanities has, over the years, flourished to become, by far, the largest Faculty of the University. It, today, consists of 14 departments offering masters programmes in major areas of Social Sciences and Humanities like, Business Administration, Commerce, Economics, Mass Communication, Sociology, Urdu, Library & Information Sciences, History, Pakistan Studies, English, Gender and Women Studies. Additionally, efforts are afoot to plan and launch post-graduate programmes in Pakistani Languages and Law. The Commonwealth-collaborated master's programmes in the areas of Business and Public Administration, which are specially tailored for the modern-day busy executives, were launched in Spring 2002 semester.

In tune with the government's policy of promoting and strengthening a culture of higher education and research in the country, the AIOU's Faculty of Social Sciences and Humanities has shown a lot of dynamism over the past few years. It has launched MPhil/PhD programmes in Iqbaliat, Urdu and Mass Communication and History and English while preparations are being made to launch MPhil Business Administration.

The Faculty of Social Sciences & Humanities also offers several bachelors' level programmes in such professional areas like bachelor's in library & Information Sciences (BLIS), BS-Business Administration, BS-Commerce and Mass communication, English. Tens of thousands of students comprising all demographic groups and, from all over the country enroll, each year, in these bachelor's level programmes.

The faculty has expanded vitally, and its programmes have gained a high popularity as is clear from rapidly rising trend of enrolment during the past decade. During the period under report, the faculty accorded high priority towards quality improvements and to modify its programmes in accordance with the current challenges of 21st century.

The faculty proposed to launch post-Graduate programmes in the disciplines of Political Science and International Relations, Psychology, Public Administration and Social Work.

Directorate of International Collaboration & Exchange is offering admissions to International and Overseas Students in BS-Pakistan Studies, BS-Accounting & Finance, BS-English and BS-Gender & Women Studies from Autumn-2021 Semester.
