ASSIGNMENT No. 2

Total Marks: 100

Pass Marks: 50

This assignment is a research-oriented activity. You are required to obtain information from a business/commercial organization and prepare a report on the topic allotted to you to be submitted to your teacher for evaluation.

You are required to select one of the following topics according to the last digit of your roll number. For example, if your roll number is P-3427180 then you will select topic number 0 (the last digit): -

0. Marketing Information System
1. Analyzing Competitors and Designing Competitive Intelligence System
2. Global Marketing Strategies
3. Marketing Strategies throughout the Product Life Cycle
4. Marketing Strategies of a Mobile Network Operator
5. Managing Direct and Online Marketing
6. Marketing Activities of a Private Bank
7. Designing and Managing Promotion Tools
8. Marketing Strategies of an Automobile Assembler Company
9. Corporate Strategic Planning

The report should follow the following format:

1. Title page
2. Acknowledgements
3. An abstract (one page summary of the paper)
4. Table of contents
5. Introduction to the topic
6. Practical study of the organization with respect to the topic
7. Data collection methods
8. Merits, demerits, deficiencies or strengths of the organization with respect to topic under study
9. Conclusion (one page brief covering important aspects of your report)
10. Recommendations (specific recommendations relevant to the topic assigned)
11. References (as per APA format)
12. Annexes (if any)

Guidelines for Assignment # 2:

- 1.5 line spacing
- Use headers and subheads throughout all sections
- Organization of ideas
- Writing skills (spelling, grammar, punctuation)
- Professionalism (readability and general appearance)
- Do more than repeat the text
- Express a point of view and defend it.

Workshops

The workshop presentations provide students opportunity to express their communication skills, knowledge & understanding of concepts learned during practical study assigned in assignment # 2.

You should use transparencies and any other material for effective presentation. The transparencies are not the presentation, but only a tool; the presentation is the combination of the transparencies and your speech. Workshop presentation transparencies should only be in typed format.

The transparencies should follow the following format:

1. Title page
2. An abstract (one page summary of the paper)
3. Introduction to the topic
4. Practical study of the organization with respect to the topic
5. Data collection methods
6. Merits, demerits, deficiencies or strengths of the organization with respect to topic under study
7. Conclusion (one page brief covering important aspects of your report)
8. Recommendations (specific recommendations relevant to the topic assigned)

Guidelines for workshop presentation:

- Make eye contact and react to the audience. Don't read from the transparencies or the report, and don't look too much at the transparencies (occasional glances are acceptable to help in recalling the topic to cover).
- A 15-minute presentation can be practised several times in advance, so does that until you are confident enough? Some people also use a mirror when rehearsing as a substitute for an audience.

Weightage of theory & practical aspects in assignment # 2 & workshop presentations

Assignment # 2 & workshop presentations are evaluated based on theory & its applicability. The weightage of each aspect would be:

Theory:	60%
Applicability (practical study of the organization):	40%

PREPARE YOUR ASSIGNMENT AS PER THE GUIDELINES AND IT MAY BE RE-EVALUATED BY THE QUALITY ASSURANCE CELL, DEPARTMENT OF BUSINESS ADMINISTRATION ANY TIME.
