INVITATION

It gives immense pleasure to invite you to the chemistry conference entitled

“RECENT TRENDS IN CHEMISTRY”

To be held at Department of Chemistry, Allama Iqbal Open University Islamabad, on October 05-06, 2015

Aims & Objectives

The aim of the conference is to update the scientists and academia with the recent advancements in different areas of chemistry.

The conference will provide a platform to the active researchers to present their research, explore new ideas, and possibilities of research collaborations to transform their research into innovative technologies. The conference will also provide an opportunity to young Pakistani researchers to listen research talks from internationally acclaimed researchers in cutting edge areas of chemistry which will help them in setting their direction to transform Pakistan into knowledge based economy.

Targeted participants.

The conference is specially designed to cover some recent trends in research with respect to different aspects of Chemistry related topics. Our targeted participants include faculty and students from colleges, universities, researchers from R & D institutions and persons from industries.

Invited Speakers

Prof. Dr. Bohari M. Yamin (Malaysia)
Prof. Dr. Sung Yum Seo (South Korea)
Prof. Dr. Farzana Latif Ansari (QAU)
Prof. Dr. Muhammad Nawaz Tahir (Sargodha)
Prof. Dr. Uzaira Rafique (FJWU)
Dr. Mohamad Azwani Shah Bin Mat Lazim (Malaysia)
Dr. Farooq A. Kiani (NUST)
Dr. Muhammad Rafiq (South Korea)
Dr. Zahoor Ahmad (MUST)
Dr. Sohail Saeed (NDC)
Dr. Saeed Butt (NDC)
Dr. Rohama Gill (FJWU)
Dr. Zaman Arshaf (AIOU, South Korea)

Major Topics

- Coordination Chemistry
- Drug Development
- Computational Chemistry
- Composite Material
- Material Science
- Polymer Chemistry
- Heterocyclic Chemistry
- Medicinal Chemistry
- Environmental Chemistry
