## **ADMISSION SCHEDULE**

### **Merit Based Programme:**

1. BS Physics (4 years)

### **Schedule for Merit based Admission:**

Applicants of the above programmes is required to send admission form directly to the department concerned without admission fee as per procedure given in the prospectus. Admission schedule for these programmes is given in the advertisement also available on AIOU website.

All applicants are advised to write their mobile numbers in admission forms. All intimations will be sent through SMS and website [www.aiou.edu.pk](http://www.aiou.edu.pk). For further information please contact the department concerned.

### **Open Merit Based Programmes:**

1. BS Computer Science (4 years)
2. BS Accounting & Finance (4 years)
3. BBA (4 years)

*The students of above programmes are required to deposit Admission Form/ Documents along with requisite fee in the designated banks.*

*The Detail of fee has been given at the end of each programme and the list of designated banks given on page No.57 in the prospectus).*

## داخلہ کے خواہش مند طلباء و طالبات کے لیے اہم ہدایات

- 1 یونیورسٹی کے داخلے سال میں دو مرتبہ ہوتے ہیں:
- 2 سمسٹر بہار کے داخلے ماہ فروری کے دوران ہوتے ہیں اور سمسٹر خزاں کے داخلے ماہ اگست کے دوران ہوتے ہیں۔
- 3 اگر آپ سمسٹر بہار (فروری) میں پہلا داخلہ لے رہے ہیں تو دوسرے سمسٹر خزاں کی داخلہ فیس (اگست) میں جمع کروانا ہوگی۔
- 4 اگر آپ سمسٹر خزاں (اگست) میں پہلا داخلہ لے رہے ہیں تو دوسرے سمسٹر بہار کی داخلہ فیس (فروری) میں جمع کروانا ہوگی۔
- 5 کسی بھی سمسٹر میں داخل طالب علم کو جاری طلبہ (Continuing Student) کہا جاتا ہے۔ ان (Continuing Student) کو اگلے سمسٹر کے لیے کمپیوٹرائزڈ داخلہ فارم بذریعہ ڈاک بھجوائے جاتے ہیں جو کہ مجوزہ فیس کے ساتھ مقررہ تاریخوں کے دوران منظور شدہ بینکوں میں جمع کروانا ہوتے ہیں۔
- 6 اگر کسی طالب علم کو کمپیوٹرائزڈ داخلہ فارم نہ ملے تو یونیورسٹی کی ویب سائٹ [www.aiou.edu.pk](http://www.aiou.edu.pk) سے جاری طلبہ کا داخلہ فارم ڈاؤن لوڈ کر کے اوپر دیئے گئے مہینوں کے دوران طریقہ کار کے مطابق فیس اور داخلہ فارم بینک میں جمع کروائیں۔ بصورت دیگر یونیورسٹی پر داخلہ کی ذمہ داری نہ ہوگی۔

## Vice-Chancellor's Message

Dear Student,

السلام عليكم

Welcome to Allama Iqbal Open University, the first Distance Education University in South Asia, that caters to the educational needs of 1.3 million students to enable them to study at their own place, at their own pace and at their own convenience. The University goes to the doorsteps of the students, irrespective of the distance and location of students. One can become a student of this university at any age as we consider education a life-long and continuous process. The University has a vast menu of educational programmes at different levels, starting from basic literacy programmes to the PhD programmes. The courses are regularly revised in order to keep them contemporary, relevant, and internationally compatible. Self explanatory course material helps the students to comprehend the course concepts without physical presence of the teacher. The self-assessment activities, included in the books, help ensure the acquisition of learning outcomes. This university offers maximum number of specializations at post-graduate level through four faculties -Faculty of Arabic and Islamic Studies, Faculty of Education, Faculty of Sciences, and Faculty of Social Sciences and Humanities. The faculty members at the university and a huge network of tutors, resource persons, specialists and experts make sure that the courses being offered in these programmes enable the students to become independent learners and critical thinkers. Post-graduate level studies invite you to critically examine what has already been done in your field of interest and then research to offer innovations.

I welcome you to the postgraduate studies at AIOU and wish you a challenging yet successful journey ahead.

**(Prof. Dr. Shahid Siddiqui)**  
**Vice Chancellor, AIOU**

## **1. ALLAMA IQBAL OPEN UNIVERSITY**

Allama Iqbal Open University, a mega university was established in 1974 under an Act of Parliament. The main campus of the university is situated in sector H-8, Islamabad. It was the second open university of the world and the first of its kind in Asia and Africa. The aim of establishing AIOU was to provide affordable and accessible education through distance learning at the door-steps to those people who could not continue their education journey through formal system of education. The University (AIOU) operates on semester system and admits students in Autumn and Spring semesters. Under graduate admissions are offered in both the semesters where-as post graduates are offered once a year. The enrolled students are given course books specially prepared by the university on self instructional principles. However at post graduate level reprints of foreign books alongwith allied material and university prepared study guides help students to polish their skills.

At present, the AIOU is offering programmes from matric to PhD level in diverse disciplines comprised of four faculties. The university has established study centres

across the country where distance education students are provided necessary guidance by their respective tutors. Moreover, the university has established full-time study centres wherein the students of MBA (IT), MBA (Banking and Finance), BS (CS), MSc/BS Chemistry, MSc/BS Microbiology etc. are being provided instruction, guidance and counselling through face-to-face education. AIOU is also offering four years under-graduate degrees.

Apart from curricular and extra-curricular activities during the academic year, the AIOU and its regional centres actively participate in the co-curricular activities by arranging educational and literary seminars, workshops and conferences, attended not only by the students and faculties of the university but also by the renowned dignitaries and scholars. For the science students and the research scholars, a science complex has been built where they use the latest equipment of international standard for experiments and research. To meet the present day challenges, internet facility is also available in the student hostel and the Central Library where computers have been provided to enable students to access latest information available through open source databases.

## FACULTY OF SCIENCES

Faculty of Sciences forms an important and integral part of the university. Since its establishment in 1982 with five teaching departments, it has undergone major development changes. It now comprises nine teaching and research departments, which are offering courses at the undergraduate and postgraduate levels to more than ten thousands students. The Faculty operates under the basic guidelines of the University Act and on “Education for All as Convenient” basis so that maximum students get benefit from its academic programmes and educational facilities. This principle has necessitated some structural changes in the non-formal mode, particularly at the postgraduate level, in the offering of theory courses and practical lab work. This conceptual adjustment has been quite successful and many of its in-service students are benefiting from the postgraduate study programmes. Improvement in qualifications for a better life is a right of everyone and the Faculty’s programmes meet this challenge by offering opportunities to all. In particular a significant number of beneficiaries are those who cannot afford education in formal institutions due to a variety of reasons.

Realizing the importance of science education and growing needs of the Faculty of Sciences, the University has completed a building, the Research Complex, at a cost of Rs 35 million. The Research Complex now accommodates departments of Agricultural Sciences, Biology, Chemistry,

Environmental Sciences, Home & Health Sciences, Mathematics, Statistics and Physics. These departments are running a variety of postgraduate technical, scientific and professional programmes successfully. The Research Complex also has a Computer Lab with Internet and On-line Library Facility for literature survey, Seminar Room, Lecture Hall and Library. In addition, there are many labs for practical work, teaching and research, and instrumentation labs for analysis. The University is developing these labs through its own resources. The Faculty of Sciences is fortunate to have Prof. Dr. Shahid Siddiqui as the University’s Vice-chancellor, who has given personal attention to the development of the Faculty of Sciences by providing generous amount of funds and valuable guidance.

Two Model labs have been developed in the Research Complex with the assistance of the Higher Education Commission to meet the training needs of science teachers. This development is significant for training of teachers since under the new educational policy four-year BS programme has started in undergraduate educational institutions.

More than fifty highly qualified full-time faculty members are on the roll of the Faculty of Sciences. Their role in the planning, designing and development of courses to meet student’s needs is vital. Faculty members also engage in imparting and supervising of instructions so that high standards are maintained. In addition highly qualified and

experienced professors are also engaged on contractual basis or as part time instructors for postgraduate study programmes. The Faculty is also offering academic positions under the tenure-track system to attract the best minds in scientific and technological fields.

Research is an integral part of the postgraduate study programmes leading to MSc, MPhil and PhD degrees in Agricultural Sciences, Chemistry, Computer Sciences, Home and Health Sciences, Physics, Mathematics and Statistics. Rules and regulations governing the postgraduate study programmes are those approved by the Higher Education Commission (HEC).

The Faculty has launched BS programme in Chemistry and Microbiology from semester Spring 2009. The four-year BS programme is structured according to the recent policies of the Higher Education Commission for the improvement of the standard of education so as to bring it at par with the international standards.

## DEPARTMENT OF COMPUTER SCIENCE

### **Introduction:**

The Department of Computer Science was established in the year 2000. The Department has received recognition nationwide due to its quality education. The department had developed curricula of the academic programmes at various levels to meet the national and international standards as

defined by Higher Education Commission. The curricula include PhD (computer Science), MS (Computer Science), BS (Computer Science) and Postgraduate Diploma (PGD) in Computer Science.

The department is equipped with latest computers and services including a digital class room and multimedia courseware development lab. The department has its own library in addition to central library of the university. The department practices the multi-method teaching methodology i.e. face-to-face regular classes for BS (Computer Science) and MS (Computer Science). *The online methodology is practiced for PGD (Computer Science) AND Foreign Language (French). The facilities of Video/Teleconferencing are also in use for lectures/consultations in research oriented degree of MS/PhD (Computer Science).* In addition, the department also has a flavor of distance teaching in selected courses of BS (Computer Science) programme like English, Pakistan Studies, and Islamic Studies etc.

Besides graduate and undergraduate teaching, the department is actively involved in research and development. For this purpose Multimedia Centre and Open Learning Institute of Virtual Education (OLIVE) have been established at AIOU. In addition to research activities in the area of software engineering communication, networking, and multimedia, the department focuses on the e-learning research in instruction design, communication, course management, e-assessment, and other related areas of e-learning.

## **BS (Computer Science) Programme**

### **a) Introduction:**

BS (Computer Science) programme provides a good mix of courses in computer science, social science, basic sciences, management, and humanities. The BS (Computer Science) courses are aimed at core computer science field and include theoretical foundation and skills in computing and programming. The BS (CS) graduates will be eligible to apply for admission in postgraduate studies in many international universities, since the BS (CS) curriculum meets the requirements of IEEE/ACM Curriculum Recommendations Committee. They will also be eligible to get admission in the MS (CS) Programme of AIOU. The BS (CS) is 140 credit hours programme and may be completed in minimum four years (eight semesters). Two semesters are offered in a year as Spring and Autumn. The duration of each semester is 18 weeks.

### **Note:**

***The maximum time limit to complete the BS (CS) Programme is Seven Years from the date of first registration of the student in this programme.***

### **b) Objectives**

- To develop professionals in
- The field of Computer Science.
- To provide high quality education at low cost.
- To provide knowledge to individuals seeking computer skills to increase their job opportunities in their current careers or to pursue new careers.

- To learn in-depth knowledge of computer languages, Software Engineering, computer architecture, large-scale system software and multimedia in the design.
- To provide outreach for rural areas.
- To provide sufficient conceptual and skill based know how so that successful graduates could initiate IT career in industry and academia.

### **c) Eligibility**

Candidates having intermediate or equivalent qualification from any recognized institution with at least 45% marks.

### **d) Offering of BS (CS) Programme at Rawalpindi, Islamabad & Lahore**

Department of computer Science is offering BS (CS) Programme at **Rawalpindi, Islamabad & Lahore**. The classes shall be conducted at Approved Study Centers.

### **e) Offering of BS (CS) Programme at Dera Ghazi Khan, Rahim Yar Khan, Multan and Bahawalpur**

The Department of computer Science is also offering BS (CS) Programme at Dera Ghazi Khan, Rahim Yar Khan, Multan and Bahawalpur using modern technologies. Under this programme, the course work will be conducted through video-conferencing /internet. Distance Education will be delivered by faculty members from Department of Computer Science. A local faculty member/staff will be provided to assist in administrative and teaching assignments. All assessments will be performed as per rules of the University.

### 1. Applying/Admission Procedure

The completely filled original admission form along with all academic credential and **First Semester fee** shall be submitted in authorized bank branches on or before the closing date of admission.

### 2. Selection Criteria

Admission will be given to **all candidates** satisfying the eligibility requirements, subject to viable group of students at the selected Approved Study centers in Lahore, Islamabad, Rawalpindi and selected regions such as Dera Ghazi Khan, Rahim Yar Khan, Multan and Bahawalpur.

The Department of Computer Science reserves the right to offer or may not offer listed specialization area or a particular course depending upon the available faculty/laboratory resources and viable student's enrollment. The department may add other specialized areas or may add elective courses to any specialized defined area.

**g) Assessment**

**Course Work:** The following assessment criteria are applied to BS (Computer Science) programme:

ASSESSMENT TYPE		COURSE TYPE							
		Face to Face		Distance Learning		French Online		Project	
		Qty	Wt (%)	Qty	Wt (%)	Qty	Wt (%)	Qty	Wt (%)
	Assignments	2	10	2	30	2	10	-	-
	Midterm Test or Lab	1	20	-	-	1	20	-	-
	Presentation	-	-	-	-	-	-	4	30
Final	Written Paper	1	70	1	70	1	70	-	-
	Viva Voce	-	-	-	-	-	-	1	70
Total Marks (%)		100		100		100		100	

The passing of a course requires aggregate scoring in continuous assessment and final examination as per AIOU rules.

1. There is laboratory test for laboratory oriented courses and written midterm test for courses without laboratory work.
2. The detail about the project is available at the Study Centers.

**h) Fee Structure**

Also keeping in line with the tradition of low cost educational services, the fees of BS (CS) programme courses is affordable. The details of the fee payable are given below:

**First Semester Fee for BS (CS) Programme**

Item	Rate	Total
Registration Fee: ( at the time of 1 <sup>st</sup> admission)	Rs.100/-	Rs.100/-
Admission Fee: (at the time of 1 <sup>st</sup> admission)	Rs.500/-	Rs.500/-
Tuition Fee: Distance Courses: per course	Rs.460/-	3×460/- = Rs.1380/-
Face to Face Course Fee: Per Course	Rs.5110/-	3×5110/- = Rs.15330/-
Technology Fee (each semester)	Rs.100/-	Rs.100/-
Courier Charges (each semester)	Rs.35/-	Rs.35/-
<b>Total Fee for First Semester</b>		<b>Rs.17445/-</b>

All students are required to pay full fees as prescribed at the beginning of each semester. The university reserves the right to revise the fee structure as deemed or to add any fee considered appropriate at any time during the study period. All such changes will be applicable to all students.

<b>DEPARTMENT OF PHYSICS</b>
------------------------------

**Introduction:**

Realizing the need of technology and scientific education in Pakistan Department of Physics at AIOU began in 1998 with technological needs in areas like Energy, Energy Efficiency, Climate, Energy for Sustainable Development, Renewable Energy, Hydrogen Energy, Environment, Astronomy, Nanotechnology, Materials Science, Plasma Physics, Medical Physics, Cosmology, Geo Physics, Density Functional Theory (DFT), and Nuclear fields. A major emphasis of current research activities are on promotion in renewable energy and related areas in which the Department have led to innovations.

The Department is presently running BS, MSc, MPhil and PhD degree programme with specialization in various disciplines. New fields of specialization and programme of studies are approved and be operational from the next academic year. Apart from capacity development, activities Department of Physics has been involved in several international, national and regional research projects. Physics Department has developed research linkage with other National and International Universities and research organizations of repute to ensure two-way flow of knowledge.

**Vision:**

The Department of Physics carries out wide range of teaching and research programmes that will contribute significantly to the development of human capacity, science and technology in Pakistan. Our vision is to see our graduates and postgraduates to be equipped with the fundamental knowledge of Physics, problem solving, life and communication skills. This will be achieved by reviewing and developing relevant academic programmes and research and research projects to address

Pakistan technological needs in areas like Energy, Renewable Energy, Hydrogen Energy, Environment, Astronomy, Nanotechnology, Materials Science, Plasma, Medical Physics, Cosmology, Geo Physics, Density Functional Theory (DFT), and Nuclear Physics. Our vision is to be a locally and internationally recognized Physics Department that exposes its successes in public awareness campaign and through established knowledge dissemination channels.

**Mission:**

The Department of Physics at AIOU becomes a nationally and internationally recognized research and educational unit. Our faculty strives to push the boundaries of our understanding in a wide variety of fundamental and applied Physics areas while providing the best research opportunities for our majors. The blending of classroom learning with training in XXI Century front-edge research facilities allows our graduates and postgraduates to become successful researchers, teachers and applied scientists in nowadays-competitive marketplace. At the same time, we are fully committed, as the physics department of the major research university in our border region, to contribute to the general public appreciation and respect for the scientific work and knowledge.

**Core Values:**

To perform to the highest levels of competence and professionalism in research and training, acting with utmost honesty and integrity while instituting measures that meet the need of all stake holders advance knowledge and technologies, Generate, preserve and disseminate knowledge and be involved in the development of innovative products, Cherish academic freedom, nurture and reward talent. The Department aspires to be an effective agent of change and a model for the other Department in the field of research so as to meet the grooming demands of the new millennium.

**BS Physics**

**Objectives of the Programme:**

The main educational objectives of BS (4-year) degree programme are:

1. To impart students with a conceptual understanding of the fundamental principles of Physics, natural laws and their interpretation, as well as mathematical formulation of the physical phenomena in nature.
2. To develop critical skills necessary for solving unknown problems from our physical surroundings.
3. To develop the capability of analyzing, addressing and posing solutions to problems of natural importance and to instill a deep appreciation of the need for optimum utilization of natural resources and environment.
4. To instill in students the habit of independent thinking, deep inquiry, and motivation for self-education.
5. To sharpen our students' mathematical prowess making them capable of modeling, analyzing and predicting the behaviour of physical processes.
6. To enhance our students skills in scientific communication and the ability to clearly present physics and science in simple and clear language.
7. To introduce to students the spirit of working in interactive groups with the necessary requirements of scientific and professional ethics.
8. To develop hands-on experience in different laboratory techniques, modern instrumentation.
9. To enhance student competence in the design and conduct of experiments and analysis and presentation of experimental data and results.
10. To provide an in-depth understanding of some specialized area of Physics through the option of elective courses.
11. To equip students with the necessary skill set for pursuing careers in Physics education, research and industry in government or private organizations

**Eligibility Requirements:**

- FSc / I.Cs (Physics, Mathematics combination) / DAE with 45% marks or 2<sup>nd</sup> division.
- Admissions will be strictly on merit on number of seats available.
- Test & interview will be conducted in the Department for selection of students.
- Students passing the test will be called for interview.

**Instructional Methodology:**

Allama Iqbal Open University employs media mix as methodology of instruction in which printed material, audiovisual support, and face-to-face tutorial support are mixed in accordance with the requirement of the discipline and the level of course. In view of special requirements of post-graduate studies in physics the following methodology of instruction will be followed:

**i) Study Material:**

The University will provide reprinted and compiled course books.

**ii) Tutorial Support and Workshops:**

Face to Face lectures will be a support for this programme by resource persons in the lecture sessions. A minimum, 45 hours of face to face teaching for each 03 credit hour course, will be provided in these sessions. Attendance in these sessions is compulsory. Students failing to attain 70% attendance in theory courses will not be eligible to appear in the final examination. Laboratory course and its practical work will be supervised and assessed by the laboratory course supervisors. 80% attendance is compulsory for all the students in the laboratory course. AIOU will not bear any cost regarding TA/DA or boarding/lodging facilities during the classes.

**iii) Schedule of classes:**

The schedule of the classes will be communicated to the students through mail and message. During any workshop AIOU reserves the right to change/alter the schedule at any time.

**iv) Assessment:**

Student performance is evaluated / assessed as under:

Class assignment through quiz/test/ assignment weightage	= 20%
Theory Course with 70% compulsory attendance & Laboratory course with 80% compulsory attendance	= 10%
Final Paper	= 70%
Aggregate	= 50%

At the end of each semester, the university will arrange final examination. The Roll number slips and other relevant information related to examination centers will be provided to the students before the examination. The students who fail in the final examination will be allowed two more chances to reappear in immediate subsequent semester examinations on payment of examination fee.

**Admission Procedure:**

Only the prescribed admission forms will be entertained. Admission forms (duly filled in) along with the required documents/testimonials/marks sheets should be sent to:

**BS Physics Programme Coordinator**

<b>FACULTY OF SOCIAL SCIENCES AND HUMANITIES</b>
--

First established in 1981 with five departments, the Faculty of Social Sciences and Humanities has, over the years, flourished to become, by far, the largest Faculty of the University. It, today, consists of 14 departments offering masters programmes in major areas of Social Sciences and Humanities like, Business Administration, Economics, Mass Communication, Sociology, Urdu, Library & Information Sciences, History, Pakistan Studies and Teaching of English as a foreign Language (TEFL). Additionally, efforts are afoot to plan and launch post-graduate programmes in Pakistani Languages and Law. The Commonwealth-collaborated master's programmes in the areas of Business and Public Administration, which are specially tailored for the modern day busy executives, were launched in Spring 2002 semester.

In tune with the government's policy of promoting and strengthening a culture of higher education and research in the country, the AIU's Faculty of Social Sciences and Humanities has shown a lot of dynamism over the past few years. It has launched MPhil/PhD programmes in Iqbaliat, Urdu and Mass Communication and History while preparations are being made to launch MPhil Business Administration, Applied Linguistics.

The Faculty of Social Sciences & Humanities also offers several bachelors' level programmes in such professional areas like Bachelors in Library & Information Sciences (BLIS), BS-Business Administration, BS-Commerce and Mass communication. Tens of thousands of students comprising all demographic groups and, from all over the country, enroll, each year, in these bachelor's level programmes.

The Faculty has expanded vitally and its programmes have gained a high popularity as is clear from rapidly rising trend of enrolment during the past decade. During the period under report, the Faculty accorded high priority towards quality improvements and to modify its programmes in accordance with the current challenges of 21<sup>st</sup> century.

The Faculty proposed to launch Post-Graduate programmes in the disciplines of Political Science and International Relations, Psychology, Public Administration and Social Work.

### **DEPARTMENT OF COMMERCE**

The Department of Commerce is one of the pioneer academic Departments of AIOU. The Department was established in 1975 and started offering, Industrial & Commercial Training Courses. Since 1987 Commerce Department started working with a full-fledged capacity to cater the needs of the wide range of people interested in Commerce field. Since its inception thousands of business graduates have got business education. They are serving the nation in different capacities as part of the country's trained and productive work force. The Department of Commerce since its inception has been offering skill oriented and professional courses to cater the need of industry for professionally trained and productive workforce. As per the vision of University, the Department has always strived to develop courses and programmes in consultation with accreditation bodies and stakeholders. The Department takes pride to offer BS Accounting and Finance.

## DEPARTMENT OF BUSINESS ADMINISTRATION

The Department of Business Administration was established in 1986 with the objective to impart managerial education and skills in the discipline of Business Administration. Since its inception, the Department has made tremendous progress towards achieving its ultimate goal of becoming a center of excellence in the discipline of Business Management. The Department has assembled outstanding teaching faculty and developed extensive teaching material for the improvement of education in Pakistan.

The department is offering MBA 3-½ year, MBA 2-½ year, PGD HRM, MS Management Sciences and PhD Business Administration. The department introduced BBA 4 Years programme in Autumn 2017. It is hoped that these programmes would contribute significantly to the national goal of development of professions equipped with modern business techniques. These programmes are designed to provide an opportunity to upgrade the skills and enhance professional qualifications of the future managers. Further, we are of the opinion that the graduates from this university would have recognition in the human resource market and enjoy a respectable status in public and private sector organizations, operating in Pakistan and abroad. The Department has well qualified faculty members including PhDs, MPhil/MS both from national and foreign universities.

The department is offering various programmes in order to achieve the following objectives:

- i. To prepare graduates for public and private sector organizations and to equip them to cater the needs of complex and changing business environment.

- ii. To encourage continuous learning and habitual receptiveness, explore the new ways of identifying and dealing with opportunities and problems, to face future business challenges.
- iii. To provide the business students bottom to top management orientation skills, enhance their business skills, enable them to integrate theory business into practice in their daily lives.

**BACHELOR OF BUSINESS ADMINISTRATION  
(BBA 4 Years) PROGRAMME**

**Introduction:**

The Higher Education Commission initiated four years degree programme in Business Administration to access best talent at initial stages and provide students the opportunity to have expertise in the discipline of choice.

The purpose of BBA 4 year programme is to enable graduates to better respond to the organizational demands and to help them acquire the skills needed for managing self and others in an organization. The courses of BBA 4 year programme are aimed at developing an understanding of the ways in which individuals and groups behave in relation to an organization. It also focuses on the way organizations shape individual action. The specialized courses of BBA 4 year Programme to enable the students to develop an understanding of particular kind of organizations and to learn different skills appropriate for managerial and administrative tasks associated with these organizations.

It is designed to enable students to develop knowledge and skills appropriate for them to effectively manage their own activities. At Department of Business Administration, AIOU a blend of theory and practical knowledge is applied in this programme.

**Objectives:**

The Business Administration programme of AIOU is designed to achieve the following objectives:

1. To prepare professionally trained leaders for public and private sector organizations and to train managers to cater to the needs of complex and changing business environment.
