## Vice-Chancellor's Message

**Dear Student,**

السلام عليكم

Allama Iqbal Open University (AIOU) is one of the mega universities of the world and it occupies a unique position in the education sector of Pakistan. Because of its affordability and high-quality distance and online academic programs. AIOU has now turned into the most favorite university of the country with high international of repute. The university made a landmark progress by ensuring access to quality education rural areas under-privileged students for the people of all ages particularly the females can now select and join the programs of their choice while sitting at their residence and along with continuing their jobs. After assessing the success of many degree programs in Pakistan, AIOU is now going to offer a ranges programs for the students in UAE, Saudi Arabia, Kuwait, Qatar, Bahrain, Oman, USA and many other countries currently. More than 1.3 million students are getting benefits from the high-quality educational services of AIOU in all regions of the country through more than fifty regional offices of the university. It offers-suggests many undergraduate and Post Graduate programs at rural and remote areas providing an unparalleled opportunity to all the poor and deprived sections of the society at an affordable cost. The university has recently digitalized all its student-support services for facilitating its students on priority basis. This digitization of the system, it is hoped, will enable AIOU students to get all kinds of educational using their Learning Management system (LMS) portal support online.

Committed for your bright future

**Prof. Dr. Zia-Ul-Qayyum**  
**Vice Chancellor, AIOU**

## **ALLAMA IQBAL OPEN UNIVERSITY**

Allama Iqbal Open University, a mega university was established in 1974 under an Act of Parliament. The main campus of the university is situated in sector H-8, Islamabad. It was the second open university of the world and the first of its kind in Asia. The aim of establishing AIOU was to provide affordable and accessible education through distance learning at the door-steps to those people who could not continue their educational journey through formal system of education. The University (AIOU) operates on semester system and admits students in Autumn and Spring semesters. Under graduate admissions are offered in both the semesters whereas post graduates are offered once a year. The enrolled students are given course books specially prepared by the university on self-instructional principles. However, at post graduate level reprints of foreign books, allied material with university prepared study guides help students to polish their skills.

At present, the AIOU is offering programmes from Matric to PhD level in diverse disciplines comprising four faculties. The university has established study centres across the country, where distance education students are provided necessary guidance by their respective tutors. Moreover, the university has established full time study centres, wherein the students of MBA (IT), MBA (Banking

and Finance), BS (CS), MSc/BS Chemistry, MSc/BS Microbiology etc. are being provided instruction, guidance and counselling through face-to-face education. AIOU is offering four years under graduate degrees.

Apart from curricular activities during the academic year, the AIOU and its regional centres actively participate in the co-curricular activities by arranging educational and literary seminars, workshops and conferences, attended not only by the students and faculties of the university but also by the renowned dignitaries and scholars. For the science students and research scholars, a science complex has been built where they use the latest equipment of international standard for experimentation and research. To meet the present-day challenges, internet facility is also available in the student's hostel and the Central Library where computers have been provided to enable students to access latest information available through open source databases.

### **Introduction:**

BEd (2.5 Years) programme with specialization in Science Education will not only provide a direction to general education but will also ensure that only those who intend to opt for Science Teaching as a profession will join the program. It will enable the Science Teachers to apply their knowledge and skills in real class situation more effectively. Teacher will be enabled to transform the provisions of policy and curriculum in the classroom. Teacher Students will be able to adopt innovative Science Teaching Methods and Science Assessment Models to get maximum outcomes from teaching and learning.

The teachers trained through this program will be able to teach Science at different levels of schooling.

### **Following are the objectives of BEd 2.5 Years with Specialization in Science Education**

After completing this programme, prospective teachers will be able to:

1. Describe the concepts, foundations and perspectives of Science Education
2. Present the pedagogical and content knowledge by using latest information communication system (ICT) in an effective manner.
3. Demonstrate science related attitudes in Science Education.
4. Apply Practical Skills (Science Process Skills) for science teaching.
5. Develop lesson plans and assessment tools for science teaching and learning.

**Introduction:**

Our mission is to promote the development of highly qualified and efficient teaching professionals who are prepared to contribute to the social, cultural, and educational development of society. B.Ed (4 years with Specialization School Leadership and Management) program is a composite program blending Core Courses, Foundation Courses, Professional Courses and Specialization Courses. B.Ed-SLM not only provides a direction to general teacher education but will also provide chance to those who intend to opt for leadership and management positions at school level. It requires extraordinary knowledge, commitment and skills to become effective leaders in education. The prospective teachers after completing this course work and its practical components will learn to teach, lead, manage and supervise schools. It will enable the learner's/future leaders to apply their knowledge and skills in real classroom and school situations more effectively. The teacher trained through this program will be able to teach, plan and manage school upto Higher Secondary Level.

### Introduction:

BEd (4 year) programme focus on education and training of prospective teachers which grows out of a profound belief in the transformative power of education. Our mission is to promote the development of highly qualified and efficient teaching professionals who are prepared to creatively contribute to the social, cultural, and educational development of a globally oriented, pluralistic, and diverse society. BEd (4 year) programme will be a composite programme blending Core Courses, Foundation Courses, Professional Courses, and Specialization Courses. The teacher trained through new programme will be able to teach at Secondary and Higher Secondary Levels and will be an equivalent of the existing master's degree.

### Following are the objectives of this programme:

1. To equip the prospective teachers with adequate knowledge of subject matter, contemporary pedagogy techniques, communication skills, critical thinking and dispositions to be an elementary school teacher.
2. To develop creative aptitude and research mindedness to the prospective teachers.

3. To improve the linguistic skills of the prospective teachers.
4. To strengthen the ideological perspectives of the students adequately and properly.

### Prospective Students/Career:

This programme is designed for those prospective students who wish to join elementary school as teachers. The programme will also cater for the existing elementary school teachers as at present their promotion is linked with ADE and BEd(4 year) degree. Thus this programme will open up new windows for the promotion of elementary school teachers.

### Eligibility Criteria:

Candidates with ADE (2 years) degree can join in the fifth semester of BEd-4 year (2 ADE +2) programme.
