## **ALLAMA IQBAL OPEN UNIVERSITY**

Allama Iqbal Open University, a mega university was established in 1974 under an Act of Parliament. The main campus of the university is situated in sector H-8, Islamabad. It was the second open university of the world and the first of its kind in Asia and Africa. The aim of establishing AIOU was to provide affordable and accessible education through distance learning at the door-steps to those people who could not continue their education journey through formal system of education. The University (AIOU) operates on semester system and admits students in Autumn and Spring semesters. Under graduate admissions are offered in both the semesters where-as post graduates are offered once a year. The enrolled students are given course books specially prepared by the university on self-instructional principles. However, at post graduate level reprints of foreign books alongwith allied material and university prepared study guides help students to polish their skills.

At present, the AIOU is offering programmes from Matric to PhD level in diverse disciplines comprised of four faculties. The university has established study centres across the country where distance education students are provided necessary guidance by their respective tutors, moreover, the university has established full-time study centres wherein the students of MBA (IT), MBA (Banking and Finance), MBA (Marketing), MBA (HRM), BS (CS), MSc/BS Chemistry, MSc/BS Microbiology etc. are being provided instruction, guidance and counselling through face-to-face education. AIOU is also offering four years' under-graduate degrees.

Apart from curricular and extra-curricular activities during the academic year, the AIOU and its regional centres actively participate in the co-curricular activities by arranging educational and literary seminars, workshops and conferences, attended not only by the students and faculties of the university but also by the renowned dignitaries and scholars. For the science students and the research scholars, a science complex has been built where they use the latest equipment of international standard for experiments and research. To meet the present day challenges, internet facility is also available in the student hostel and the Central Library where computers have been provided to enable students to access latest information available through open source databases.

### **FACULTY OF SOCIAL SCIENCES AND HUMANITIES**

First established in 1981 with five departments, the Faculty of Social Sciences and Humanities has, over the years, flourished to become, by far, the largest Faculty of the University. It consists of 14 departments offering masters programmes in major areas of Social Sciences and Humanities like, Business Administration, Economics, Mass Communication, Sociology, Urdu, Library & Information Sciences, History, Pakistan Studies and Teaching of English as a foreign Language (TEFL). Additionally, efforts are afoot to plan and launch post-graduate programmes in Pakistani Languages and Law.

The Commonwealth-collaborated master's programmes in the areas of Business and Public Administration, which are specially tailored for the modern day busy executives, were launched in Spring 2002 semester.

In tune with the government's policy of promoting and strengthening a culture of higher education and research in the country, the AIOU's Faculty of Social Sciences and Humanities has shown a lot of dynamism over the past few years. It has launched MPhil/PhD programmes in Iqbaliat, Urdu and Mass Communication and History while preparations are being made to launch MPhil Business Administration, Applied Linguistics.

The Faculty of Social Sciences & Humanities also offers several bachelors' level programmes in such professional areas like Bachelors in Library & Information Sciences (BLIS), BS-Business Administration, BS-Commerce and Mass communication. Tens of thousands of students comprising all demographic groups and, from all over the country, enroll, each year, in these bachelor's level programmes.

The Faculty has expanded vitally and its programmes have gained a high popularity as is clear from rapidly rising trend of enrolment during the past decade. During the period under report, the Faculty accorded high priority towards quality improvements and to modify its programmes in accordance with the current challenges of 21st century.

The Faculty proposed to launch Post-Graduate programmes in the disciplines of Political Science and International Relations, Psychology, Public Administration and Social Work

## **FACULTY OF SCIENCES**

The Faculty of Sciences at AIOU was first established in 1982 only with five departments and limited number of undergraduate and basic functional courses. Over last three to four years, five new departments and a range of higher degree programmes have been added to the portfolio of faculty of sciences. Most of the departments, in the faculty, are now engaged in the offering highly technical, scientific and professional courses.

### **DEPARTMENT OF NUTRITIONAL SCIENCES & ENVIRONMENTAL DESIGN**

#### **Introduction**

Pakistan is a developing country, and it is the need of the hour to improve standard of education in all disciplines especially in science and technology in order to better cope with the challenges of 21<sup>st</sup> century. The Department was first established in 1981. During last few decades the Department has developed a range of professional programs in Health and Nutrition, Environmental Design and Home Economics. Multipurpose teaching/ research labs for Food and Nutrition and Environmental Design programs has been set up in order to provide a comprehensive environment for imparting practical training and research at the main campus.

#### **Aims & Objectives**

1. To upgrade and update the skills & knowledge of professionals in various fields of applied sciences.
2. To prepare learners for the career related disciplines considering the professional interests of individuals in the areas

of Health, Food Science, Nutrition, Dietetics, Environmental Design and Home Economics.

3. To prepare the individuals/professionals for the development and up gradation of community & sustainable environment.
4. To enable the individuals to integrate and apply knowledge and skills of Basic Sciences, Home Economics & Applied Sciences for their professional development.

The Department has produced scientific/value added and professional programs/courses in the areas of Health, Food & Nutrition, Home Economics and Environmental Design. The courses are now being offered under basic functional to post-graduate, MPhil and PhD level programs. Many of these courses are supported with audio-visual programs.

Currently the Department is offering the following programs:

1. Ph. D Food and Nutrition
2. MS Community Health & Nutrition
3. MS Environmental Design
4. M.Sc Public Nutrition
5. M.Sc Sustainable Environmental Design
6. Postgraduate Diploma in Environment, Health and Safety
7. Undergraduate level Home Economics and Health courses

## **PGD-ENVIRONMENT, HEALTH & SAFETY**

### **Introduction**

The Department is offering PGD in Environment, Health & Safety (EHS) which provides the benefits to professionals who work for the federal, state or local government as well as for industries, factories and mines etc. EHS aims to prevent and reduce accidents, emergencies, and health issues at workplace, along with any other environmental damage that could result from work practices. The novelty of EHS program is that it will train the specialists as master trainers who can protect the well-being of public and also ensure the environmental regulations that meet the employees and workplace safety standards.

### **1. Objectives**

- i. To develop a strong understanding of Environment and Occupational Health & Safety (EHS) amongst the professionals.
- ii. To develop the skill set for planning, execution and analysis for EHS.
- iii. To be able to evaluate the existing work practices and how they can be improved to enhance the safety and wellness of the users and employees.
- iv. To train professionals to be able to get certified in international standard EHS certifications.

- v. To increase the human resource with EHS expertise which in turn would help increase country's compliance to various EHS regulations.

### **2. Eligibility Criteria**

Students having minimum of 14 years of formal education with at least 2<sup>nd</sup> division as per university rules in any field from accredited Colleges, Universities, in Pakistan or abroad are eligible to apply for admission.

### **3. Scheme of Studies**

## **PGD-SUSTAINABLE ENVIRONMENTAL DESIGN (SED)**

### **Introduction**

PGD Sustainable Environmental Design is an initiative which embodies a holistic perspective, intertwining elements of architecture, urban planning, engineering, and environmental studies. It embraces the principles of resource efficiency, biodiversity conservation, and resilience, striving to create spaces and structures that not only meet human needs but also foster ecological balance and vitality. After enrolling in this program, students will be equipped with the knowledge, skills, and passion to address pressing environmental challenges and create a more sustainable and equitable world.

### **Objectives**

- i. Understand the application of ecological principles and design of sustainable buildings and cities.
- ii. Understand sustainable urban technologies and design strategies.
- iii. Evaluate and monitor the present state and future potential of built environments in terms of sustainability.
- iv. Enable individuals to integrate and apply knowledge and skills of Sustainable Environmental Design in future studies.

## **DEPARTMENT OF NUTRITIONAL SCIENCES & ENVIRONMENTAL DESIGN**

### **Introduction**

The Department of Nutritional Sciences and Environmental Design was first established in 1981. It is one of the pioneer departments of the university, which has progressed with the university by developing a range of professional courses/ programs in collaboration with King's College London, UK, British Council Pakistan, and University of Dundee, UK with a multidisciplinary approach in the field of Preventive and Allied Health, Nutrition, and Environmental Design. Multipurpose teaching/ research labs for Food, Nutrition, and Environmental Design programs have been set up to provide a comprehensive environment for imparting practical training and research at the main campus.

The department has successfully completed numerous projects in the fields of Preventive and Allied Health, Nutrition, and Environmental Design. The faculty is actively involved in organizing seminars and conferences at both national and international levels to disseminate the latest trends and advancements, foster collaboration with various stakeholders, and provide policy-level recommendations.

By addressing critical issues within these fields, the department focused on Sustainable Development Goals (SDGs) 2, 3, 4, 6, 11, 12, and 13. The teaching and research initiatives are particularly aligned with these SDGs, guiding

towards achieving COP28 targets and promoting climate-resilient and sustainable development within our country.

### **Aims & Objectives**

1. To upgrade and update the skills & knowledge of professionals in various fields of applied sciences.
2. To prepare learners for the career related disciplines considering the professional interests of individuals in the areas of Health, Food Science, Nutrition, Dietetics, Environmental Design and Home Economics.
3. To prepare the individuals/professionals for the development and up gradation of community & sustainable environment.
4. To enable the individuals to integrate and apply knowledge and skills of Basic Sciences, Home Economics & Applied Sciences for their professional development.

The Department has produced scientific/value added and professional programs/courses in the areas of Health, Food & Nutrition, Home Economics and Environmental Design. The courses are now being offered under basic functional to post-graduate, MPhil and PhD level programs. Many of these courses are supported with audio-visual programs.

Currently the Department is offering the following programs:

1. PhD Food and Nutrition
2. MS Community Health & Nutrition
3. MS Environmental Design
4. M.Sc. Public Nutrition (continuing students only)
5. M.Sc. Sustainable Environmental Design (continuing students only)
6. BS in Human Nutrition and Dietetics
7. PGD Public Health and Nutrition
8. PGD Sustainable Environmental Design
9. PGD in Environment, Health and Safety
10. PGD Clinical Nutrition
11. Undergraduate-level Home Economics, Health and Nutrition courses

## **PGD-PUBLIC HEALTH AND NUTRITION**

### **1. Introduction**

The Postgraduate Diploma (PGD) in Public Health and Nutrition (PHN) is a specialized program designed to provide advanced knowledge and skills in the field of public health and nutrition. This program is typically aimed at professionals

and graduates who are looking to enhance their understanding of health issues in relation to nutritional science. The PGD PHN is an interdisciplinary program designed to prepare professionals to address complex health and nutritional challenges. Through a combination of theoretical knowledge and practical experience, graduates are equipped to contribute effectively to the field of public health and nutrition, improving health outcomes at individual and community levels.

### **2. Objectives:**

The objectives of this program are:

1. To deepen knowledge of the principles and concepts of nutrition, including macronutrients, micronutrients, and their role in health and disease during different stages of the lifespan.
2. To focus on maternal and child nutrition, addressing the unique nutritional needs during pregnancy, lactation, and early childhood.
3. To address issues related to food safety and security, including the prevention of foodborne illnesses and ensuring access to safe and nutritious food.
4. To equip students with skills in nutritional epidemiology, enabling them to analyze and interpret data related to nutrition and health outcomes.
5. To develop skills in designing and implementing effective nutrition education programs to promote health.

According to this agreement, the student can deposit the prescribed fee in any branch of all the

**First Woman Bank Ltd,  
Allied Bank Ltd,  
MCB Bank Ltd,  
United Bank Limited.**

The bank branch will issue a receipt of depositing the admission form and fee. This process will give relief to the students from making bank drafts and maintaining the records of the draft copies. It will also save the additional expenditure on draft making and mailing the admission forms to the university. In this way the admission forms and fee will safely reach the admission department.
