Vice-Chancellor's Message

Dear Student,

السلام عليكم

Allama Iqbal Open University (AIOU) is one of the mega universities of the world and it occupies a unique position in the education sector of Pakistan, because of its affordability and high quality distance and online academic programs. AIOU has now turned into the most favorite university of the country with high international repute. The university made a landmark progress by ensuring access to quality education for rural areas' underprivileged students and the people of all ages particularly the females can now select and join the programs of their choice, while sitting at their residence and simultaneously continuing their jobs. After assessing the success of many degree programs in Pakistan, AIOU is now going to offer a variety of range programs for students residing worldwide. More than 1.3 million students are getting benefits from the high quality educational services of AIOU in all regions of the country through more than fifty regional offices of the university. It offers-suggests many undergraduate and postgraduate programs at rural and remote areas providing an unparalleled opportunity to all the poor and deprived segments of the society at an affordable cost. The university has recently digitalized all its student-support services for facilitating its students on priority basis. This digitization of the system, it is hoped, will enable AIOU students to get all discipline of educational programmes using their Learning Management System (LMS) portal support online.

Committed to your bright future.

Prof. Dr. Nasir Mahmood
Vice Chancellor

REVISED POLICY FOR ASSESSMENT

As per revised formula securing passing marks in assignments/practical and other components is not compulsory with effect from Spring, 2023 onwards, however, passing marks i.e. 40% in final exams will be mandatory. If a student gets 40 marks out of 100 in the final exams and does not score 50% aggregate marks, he/she will be declared Fail in the respective course and he/she will have to re-register/re-admit in the respective course, whenever said course (s) are offered in any of the subsequent semester (s).

Assignments (weightage)	Quizzes (weightage)	Final Exam (weightage)	Passing Marks
20%	30% (Quiz)	50%	50% (in aggregate) however 40% marks in final exams is mandatory

There is no change in formula for Teaching Practice 1 & 2, Capstone, Long Term Internship and such courses where grading formula/scheme of studies is different and Workshop/Projects are having weightage of marks, students will have clear/pass them too.

Revised Policy: Reappear and Again Reappear

The chance of Re-Appear (FER-I) and Again Re-Appear (FER-II) will be given from Semester Spring 2023 onwards. If a student gets less than 40 marks in final exam.

ALLAMA IQBAL OPEN UNIVERSITY

Allama Iqbal Open University, (a mega university) was established in 1974 under an Act of Parliament. The main campus of the university is situated in sector H-8, Islamabad. It was the second open university of the world and the first of its kind in Asia. The aim of establishing AIOU was to provide affordable and accessible education through distance learning at the doorsteps to those people who could not continue their educational journey through formal system of education. The University (AIOU) operates on semester system and admits students in Autumn and Spring semesters. Under graduate admissions are being offered in both the semesters whereas post graduates are being offered once a year. The enrolled students are given course books specially prepared by the university based on self-instructional principles. However, at post graduate level reprints of foreign books, allied material with university prepared study guides help students to polish their skills.

At present, the AIOU is offering programmes from Matric to PhD level in diverse disciplines comprising four faculties. The university has established study centres across the country, where distance education students are provided necessary guidance by their respective tutors. Moreover, the university has established

full time study centres, wherein the students of MBA (IT), MBA (Banking and Finance), BS (CS), MSc/BS Chemistry, MSc/BS Microbiology etc. are being provided instruction, guidance and counselling through face-to-face education. AIOU is offering four years under graduate degrees.

Apart from curricular activities during the academic year, the AIOU and its regional centres actively participate in the co-curricular activities by arranging educational and literary seminars, workshops and conferences, attended not only by the students and faculties of the university, but also by the renowned dignitaries and scholars. For the science students and research scholars, a science complex has been built where they use the latest state of the art equipment for experimentation and research. To meet the present-day challenges, internet facility is also available in the student's hostel and the Central Library, the where computers have been provided to enable students to access latest information available through open source databases.

6. Special Education

Distance, Non Formal & Continuing Education (DNFCE)

The department was established in 1984 and was renamed as Distance, Non Formal and Continuing Education in 2008. It offers specialized degree programmes/courses in Distance Non-Formal and Continuing Education, Adult Education and Educational Technology at MA Education, MEd, MPhil and PhD (MS/MPhil Based) level. It also offers courses at BA level.

Educational Planning, Policy Studies & Leadership (EPPSL)

The department was established in 1976 was renamed as EPPSL in 2008. It offers programmes in educational planning and management. These programmes are aimed at producing a cadre of professionals for the educational institutions and organizations in the country. Programmes of EPPSL include Postgraduate Diploma, MA (EPM), MPhil and PhD (MS/MPhil Based). The courses of these programmes are attained to the field requirements of target personnel in the areas of educational planning and management.

Early Childhood Education and Elementary Teacher Education

The Department of Elementary Teacher Education was established in 2003. In April 2008, the name of Elementary Teacher Education Department was changed as Early Childhood Education and Elementary Teacher Education Department. The Early Childhood Education and Elementary Teacher Education Department offers ADE, PGD in ECE, BEd, MEd, MPhil and PhD programmes, it also offers “Education” as subject at Matric, Intermediate and Graduate level. Early Childhood Education and Elementary Teacher Education Department is one of the largest departments of this institution in terms of its enrollment of students and the number of courses offered by this department.

Secondary Teacher Education

The Department of Teacher Education was established in 1985 and was bifurcated into Secondary and Elementary Teacher Education Departments in July 2003. Its programmes aim at imparting academic and professional knowledge and training to in-services and pre service teachers and scholars.

Science Education

The Department of Science Education was established in 1988. The programmes and courses of the department are mainly focused on education and training of science teachers. Presently the department offers specialized courses in science at BEd, MA, MEd, MPhil and PhD level. Specialization courses provide conceptual framework and in depth insight into the teaching of science effectively.

Special Education

The Department was established in 1985. The department imparts education and training to teachers for the special children in four specializations namely Visual impairment, Hearing impairment, Physical disabilities and Mental retardation with particular emphasis to facilitate mainstreaming of special children. Parents of the special children are also admitted to these programmes. Present programmes/courses of this department comprised of Postgraduate Diploma, MEd, MA, MPhil and PhD (MS/MPhil Based) in Special Education.

Maximum Course	
Load per Semester:	18 Credit Hours
Total credit Hours:	90 Credit Hours
Medium of Instruction:	English/Urdu
Delivery Mode:	Open Distance Learning
Assessment Criteria:	As per AIOU policy at page vi.

Eligibility Criteria

Minimum entry requirement for admission is 14 years of education (BA/BSc/ADA or equivalent with 45% marks). Please note that it is the minimum criteria to enroll in this program.

Workshop

The online workshop for each course will comprise of 12 hours, with 2 hours daily for 6 days except teaching practice courses, as per AIOU policy.

- Bridging Semester: 06 courses (18 CH) Major
- 60 credit hours of major courses are offered in the last 04 semesters.
- 12 credit hours of interdisciplinary courses are offered in the last 04 semesters.
- Internship and capstone project are offered in the last 04 semesters.
- 02 non-credited courses, i.e., Fahm-e-Quran and Seerat-e-Tayyaba are offered in the last 04 semester.

Rationale:

There is a growing need for qualified and competent teachers at all levels of education in the country. Aligned with the HEC undergraduate policy 2023 and scheme of studies of B.Ed. (04 years), B.Ed. (2.5 years) program provide prospective teachers with 14 years of education (BA/BSc/ADA/equivalent) with the necessary skills, knowledge, and training required to become effective educators. The bridging/first semester offers disciplinary courses to the prospective teachers. Rest of the four semesters are adopted from the last four semesters of the B.Ed. (04 years). The only difference is the one course on supervised school observation that is offered in the third semester of B.Ed. (2.5 years).

B.Ed. (2.5 years) program has significant importance and a wide scope. B.Ed. (2.5 years) program allows prospective teachers to develop an in-depth understanding of teaching methodologies, curriculum and instruction, and classroom management. Graduates with B.Ed. (2.5 years) program can contribute to designing and revising curriculum materials, ensuring they are relevant, effective, and aligned with the educational goals. They

can pursue their career as school teachers. With the knowledge of pedagogy and educational theories, the graduates can work as educational consultants. They can advise schools, educational institutions, and government bodies on educational practices, curriculum development, and teacher training. B.Ed. (2.5 years) program emphasizes action research skills, which are valuable for conducting educational research and contributing to the improvement of teaching and learning practices. The graduates can also provide private tutoring services, especially for subject-specific coaching through online or face-to-face mode.

Objectives of B.Ed. (2.5 years) program

1. Understand the pedagogical theories and practices, including various teaching methodologies, instructional strategies, and assessment techniques.
2. Interpret the process of establishing the rules and routines, managing student behavior, and creating a positive and inclusive classroom culture.
3. Plan, deliver, and assess the effective lessons that cater to diverse learners' needs.
4. Use effective classroom management techniques to create a conducive learning environment.
5. Develop proficiency in using educational technology tools and resources to enhance teaching and learning.
6. Practice the ethical responsibilities of teachers, including maintaining professionalism, confidentiality, and respect for diversity.

7. Design and implement fair and effective assessment methods, including both formative and summative assessments.

Mission

B.Ed. (4 Years) program aims to cultivate highly skilled and knowledgeable educators who are deeply committed to the transformative potential of education. Our program is designed to develop proficient teachers ready to innovate and adapt in a globally diverse and pluralistic society, enhancing both the social and cultural fabric of their communities through dedicated educational practice.

Introduction

In alignment with the Higher Education Commission's Undergraduate Education Policy 2023, the B.Ed (4years) Secondary Teacher Education program has been meticulously updated to foster a balanced and rigorous academic environment. This revised scheme of studies incorporates competency-based learning objectives, ensuring that graduates possess essential skills in knowledge application, professional practices, and ethical considerations. Emphasizing both breadth and depth, the curriculum extends beyond disciplinary knowledge to include general courses, interdisciplinary courses, practical field experiences, and a capstone project, designed to prepare educators who are innovative, reflective, and ready to meet the challenges of contemporary educational demands both locally and globally.

Objectives:

1. Equip prospective teachers with advanced instructional strategies and classroom management skills tailored for diverse secondary education settings.
2. Deepen subject-specific knowledge to ensure robust content delivery in secondary classrooms.
3. Train teachers in the effective use of modern educational technologies to enhance student engagement and learning outcomes.
4. Foster a commitment to ethical teaching practices and continual professional development to adapt to educational advancements.

5. Provide real-world experiences through structured teaching practices to bridge theory with practice in actual classroom environments.

Eligibility Criteria

Minimum entry requirement for admission is as follows:

1. FA/F.Sc./A levels.
2. Applicants with A level or other certificates will submit an equivalence certificate.

Workshop

The online workshop for each course will comprise of 12 hours, with 2 hours daily for 6 days as per AIOU policy.

Exit after 2 Years

Students may opt for an exit as per HEC Undergraduate Education Policy 2023 after successful completion of 4 semesters (initial two years) of the program. The student will be awarded an Associate Degree in Education (ADE).

Mission

B.Ed. (4 Years) program aims to cultivate highly skilled and

knowledgeable educators who are deeply committed to the transformative potential of education. Our program is designed to develop proficient teachers ready to innovate and adapt in a globally diverse and pluralistic society, enhancing both the social and cultural fabric of their communities through dedicated educational practice. The teachers trained through new program will be able to teach and manage schools upto Secondary/Higher Secondary Level.

Introduction

In alignment with the Higher Education Commission's Undergraduate Education Policy 2023, the B.Ed (4years) School Leadership and Management program has been meticulously updated to foster a balanced and rigorous academic environment. The revised scheme of studies of this program is strategically designed to build upon the foundational knowledge acquired during the ADE program while recognizing the pivotal role of secondary teachers and future school managers in shaping the intellectual and personal growth of students. This incorporates competency-based learning objectives, ensuring that graduates possess essential skills in knowledge application, professional practices, introducing leadership and management skills and ethical considerations. Emphasizing both breadth and depth, the curriculum extends beyond disciplinary knowledge to include general courses, interdisciplinary courses, practical field experiences, and a capstone project, designed to prepare educators who are innovative, reflective, and ready to meet the challenges of contemporary educational demands both locally and globally.

This initiative not only streamlines the educational pathway for aspiring educators but also ensures that they enter the education sector with a comprehensive and advanced skill set, ultimately contributing to the elevation of educational standards and the cultivation of a highly proficient teaching workforce and school managers.

Objectives:

After completing this program, the students will be able to

- Understand educational theories, instructional strategies, and pedagogical skills tailored for diverse settings, building upon the foundational knowledge acquired during their ADE program.
- Exhibit subject-specific knowledge to ensure robust content delivery till secondary school level
- Utilize modern educational technologies to enhance student engagement and learning outcomes.
- observe teaching practices and continual professional development to adapt to educational advancements.
- bridge theory with practice in actual classroom environments through structured teaching practices
- Explain the concepts, dimensions and perspectives of school leadership and management.
- Exhibit the knowledge and skills required for effective teaching.
- Apply managerial knowledge and skills for school management, leadership and teaching.

- Comprehend different techniques for effective school supervision and management.
- Develop lesson plans/Action plans and assessment tools for teaching and administration.
- Present the professional (Content+ Skill) knowledge in an effective manner.

Eligibility Criteria

Minimum entry requirement for admission is as follows:

1. FA/F.Sc./A levels.
2. Applicants with A level or other certificates will submit an equivalence certificate.

Workshop

The online workshop for each course will comprise of 12 hours, with 2 hours daily for 6 days as per AIOU policy.

Exit after 2 Years

Students may opt for an exit as per HEC Undergraduate Education Policy 2023 after successful completion of 4 semesters (initial two years) of the program. The student will be awarded an Associate Degree in Education (ADE).

The evaluation/remuneration/assessment rules approved for B.Ed 4-years for Faculty of Education will be applicable to this program also.
