## Vice-Chancellor's Message

Dear Student,

السلامة

Welcome to Allama Iqbal Open University, the first Distance Education University in South Asia, that caters to the educational needs of 1.3 million students to enable them to study at their own place, at their own pace and at their own convenience. The University goes to the doorsteps of the students, irrespective of the distance and location of students. One can become a student of this university at any age as we consider education a life-long and continuous process. The University has a vast menu of educational programmes at different levels, starting from basic literacy programmes to the PhD programmes. The courses are regularly revised in order to keep them contemporary, relevant, and internationally compatible. Self explanatory course material helps the students to comprehend the course concepts without physical presence of the teacher. The self-assessment activities, included in the books, help ensure the acquisition of learning outcomes. This university offers maximum number of specializations at post-graduate level through four faculties -Faculty of Arabic and Islamic Studies, Faculty of Education, Faculty of Sciences, and Faculty of Social Sciences and Humanities. The faculty members at the university and a huge network of tutors, resource persons, specialists and experts make sure that the courses being offered in these programmes enable the students to become independent learners and critical thinkers. Post-graduate level studies invite you to critically examine what has already been done in your field of interest and then research to offer innovations.

I welcome you to the postgraduate studies at AIOU and wish you a challenging yet successful journey ahead.

**(Prof. Dr. Shahid Siddiqui)**  
Vice Chancellor, AIOU

## **1. ALLAMA IQBAL OPEN UNIVERSITY**

Allama Iqbal Open University, a Mega university was established in 1974 under an Act of Parliament. The main campus of the university is situated in sector H-8, Islamabad. It was the second open university of the world and the first of its kind in Asia and Africa. The aim of establishing AIOU was to provide affordable and accessible education through distance learning at the door-steps to those people who could not continue their education journey through formal system of education. The University (AIOU) operates on semester system and admits students in Autumn and Spring semesters. Under graduate admissions are offered in both the semesters where-as post graduates are offered once a year. The enrolled students are given course books specially prepared by the university on self-instructional principles. However at post graduate level reprints of foreign books, allied material with university prepared study guides help students to polish their skills.

At present, the AIOU is offering programmes from Matric to PhD level in diverse disciplines comprises of four faculties. The university has established study centres across the country, where distance education students are provided necessary guidance by their respective tutors. Moreover, the university has established full time study centres, wherein the students

are being provided instruction, guidance and counselling through face-to-face education. AIOU is offering four year under graduate degrees.

Apart from curricular and extra-curricular activities during the academic year, the AIOU and its regional centres actively participate in the co-curricular activities by arranging educational and literary seminars, workshops and conferences, attended not only by the students and faculties of the university but also by the renowned dignitaries and scholars. For the science students and research scholars, a science complex has been built where they use the latest equipment of international standard for experiments and research. To meet the present day challenges internet facility is also available in the student's hostel and the Central Library where computers have been provided to enable students to access latest information available through open source databases.

## **FACULTY OF EDUCATION**

The origin of the Faculty of Education pre-dates the university itself. The National Institute of Education was established in 1973 under the Federal Ministry of Education. It became part of the university in June 1975 as Institute of Education in the Faculty of Social Sciences. The progressively extending functions of the Institute brought the needs for structural change and in 1984 it got the status of Faculty of Education.

### **Programme Description**

Early childhood age is the most important stage in term of child development and growth. Keeping in view its importance and growing demand from private and public enterprise in the country and overseas, Allama Iqbal Open University planned to launch postgraduate diploma in Early childhood Education (ECE). This is a unique and intensive programme in the country. During the programme, the prospective graduates will be introduced to ECE, child physical/social/emotional and cognitive development processes. The graduate will learn about ECE curriculum, assessment, classroom management and art work. The programme also aimed to equip the graduates with necessary quality training and skills for ECE. It will also help in developing understanding of the graduates about how toddlers learn the skills they need for life. The programme will provide interactive sessions via tutorial/online sessions/workshops, practice teaching and seminar. Another important feature of this diploma is that it will provide hands on practice to graduates for conducting observation of kids in action. Another strong area of the programme is interactive practice session for the graduates. It is expected that the postgraduate diploma programme will produce quality early childhood education teachers/instructors and planners so that they can pursue career successfully.

## **Programme Objectives**

The objectives of programme are to:

- Equip the graduate with essential professional skills and competencies for Early childhood education
- Upgrade pedagogical skills of practicing preschool teachers
- Provide knowledge about child cognitive/emotional and social development
- Develop insight and understanding relating ECE philosophy/beliefs and its significance.
- Introduce reflective practices in curriculum planning and instruction.
- Link theory and practice in early childhood education
- Set up knowledge of various classroom management techniques for early childhood class
- Provide Skill of selection of appropriate teaching aid for early childhood class
- Provide Knowledge and use of different classroom observation and assessment techniques
- Apply national standards for early childhood education
- Enhance career prospects of the graduates.

## **Mode of Delivery**

Flexible study option available through distance learning. Graduates can study at their own pace. They can take one course or complete six courses in a semester for completion of diploma. For each course there will be 2 days workshop. The student will also get tutorial support and there will be 9 tutorial meetings for each course in a study centre. The student will get tutorial schedule along with course books.

## **Prospective students**

Early childhood education is a popular and well-established area of study within sub sector of teacher education. This diploma is designed for those who wished to work with early childhood education within the country or overseas. The primary focused of the programme is:

- Early childhood education teachers
- Childcare workers
- Pre schoolteachers
- ECE planners
- Childcare managers/directors
- Family day care staff

## **Career Prospects**

The postgraduate diploma holders will be qualified kindergartens having appropriate knowledge, skills and dispositions. This will open new venues and opportunities to get into a rewarding career into early childhood school/centers in the country. There is an also great demand for preschool and childcare workers in overseas having professional diploma in ECE.

## **Further Education**

The postgraduate diploma in early childhood education can lead to further degree in ECE.
