## Vice-Chancellor's Message

**Dear Student,**

السلام عليكم

Allama Iqbal Open University (AIOU) is one of the mega universities of the world and it occupies a unique position in the education sector of Pakistan, because of its affordability and high quality distance and online academic programs. AIOU has now turned into the most favorite university of the country with high international repute. The university made a landmark progress by ensuring access to quality education for rural areas under-privileged students and the people of all ages particularly the females can now select and join the programs of their choice, while sitting at their residence and simultaneously with continuing their jobs. After assessing the success of many degree programs in Pakistan, AIOU is now going to offer a variety of range programs for the students residing worldwide. More than 1.3 million students are getting benefits from the high quality educational services of AIOU in all regions of the country through more than fifty regional offices of the university. It offers- suggests many undergraduate and postgraduate programs at rural and remote areas providing an unparalleled opportunity to all the poor and deprived segments of the society at an affordable cost. The university has recently digitalized all its student-support services for facilitating its students on priority basis. This digitization of the system, it is hoped, will enable AIOU students to get all discipline of educational programmes using their Learning Management system (LMS) portal support online.

Committed to your bright future.

**Prof. Dr. Nasir Mahmood**  
**Vice Chancellor**

### **Revised Policy for Assessment for B.Ed Programs**

As per revised formula securing passing marks in assignment/practical and other components is not compulsory w.e.f. Autumn, 2021 onwards, however, passing marks i.e. 50% in final exams will be mandatory. If a student gets 50 marks out of 100 in the final exam and does not score 50% aggregate marks, he/she will be declared Fail in the respective course and he/she will have to re-register/re-admit in the respective course, whenever the said course (s) are offered in any of the subsequent semester (s).

Assignments	Workshop (attendance/quizzes, etc.)	Final Exam	Passing Marks
20%	30% (10% attendance + 20% Quiz)	50%	50% (in aggregate) however 50% marks in final exams is mandatory

There is no change in formula for Teaching Practice 1 & 2, Research Projects, Long Term Internship and such courses where grading formula/scheme of studies is different and workshops/projects are having weightage of marks, students will have clear/pass them too.

### **Revised Policy on Provision of Hard Copy of Course Books**

As per revised policy of the AIOU, the printing of hard copies of the course books is discontinued w.e.f. Spring 2021 and therefore will not be provided to the students of all the postgraduate programs including B.Ed programs, however, the soft copy (eBook) of each course book is uploaded and available on University's website. All the concerned students shall download the relevant course books at: <https://aiou.edu.pk/Books%20Soft.asp>

## **ALLAMA IQBAL OPEN UNIVERSITY**

Allama Iqbal Open University, (a mega university) was established in 1974 under an Act of Parliament. The main campus of the university is situated in sector H-8, Islamabad. It was the second open university of the world and the first of its kind in Asia. The aim of establishing AIOU was to provide affordable and accessible education through distance learning at the door-steps to those people who could not continue their educational journey through formal system of education. The University (AIOU) operates on semester system and admits students in Autumn and Spring semesters. Under graduate admissions are offered in both the semesters whereas post graduates are offered once a year. The enrolled students are given course books specially prepared by the university on self-instructional principles. However, at post graduate level reprints of foreign books, allied material with university prepared study guides help students to polish their skills.

At present, the AIOU is offering programmes from Matric to PhD level in diverse disciplines comprising four faculties. The university has established study centres across the country, where distance education students are provided necessary guidance by their respective tutors. Moreover, the university has established full time study centres, wherein the students of MBA (IT), MBA (Banking

and Finance), BS (CS), MSc/BS Chemistry, MSc/BS Microbiology etc. are being provided instruction, guidance and counselling through face-to-face education. AIOU is offering four years under graduate degrees.

Apart from curricular activities during the academic year, the AIOU and its regional centres actively participate in the co-curricular activities by arranging educational and literary seminars, workshops and conferences, attended not only by the students and faculties of the university but also by the renowned dignitaries and scholars. For the science students and research scholars, a science complex has been built where they use the latest equipment of international standard for experimentation and research. To meet the present-day challenges, internet facility is also available in the student's hostel and the Central Library where computers have been provided to enable students to access latest information available through open source databases.

## FACULTY OF EDUCATION

The origin of the Faculty of Education pre-dates the university itself. The National Institute of Education was established in 1973 under the Federal Ministry of Education. It became part of the university in June, 1975 as Institute of Education in the Faculty of Social Sciences. The progressively extending functions of the Institute brought the needs for structural change and in 1984 it got the status of Faculty of Education.

### DEPARTMENTS OF THE FACULTY

Faculty of Education comprises of the following six departments:

1. Distance, Non-Formal and Continuing Education
2. Educational Planning, Policy Studies and Leadership
3. Early Childhood Education and Elementary Teacher Education
4. Secondary Teacher Education
5. Science Education
6. Special Education

#### **Distance, Non Formal & Continuing Education (DNFCE)**

The department was established in 1984 and was renamed as Distance, Non Formal and Continuing Education in 2008. It offers specialized degree programmes/courses in Distance Non-Formal and Continuing Education, Adult Education and Educational Technology at MA Education, MEd, MPhil and PhD (MS/MPhil Based) level. It also offers courses at BA level.

### **Educational Planning, Policy Studies & Leadership (EPPSL)**

The department was established in 1976 was renamed as EPPSL in 2008. It offers programmes in educational planning and management. These programmes are aimed at producing a cadre of professionals for the educational institutions and organizations in the country. Programmes of EPPSL include Postgraduate Diploma, MA (EPM), MPhil and PhD (MS/MPhil Based). The courses of these programmes are attained to the field requirements of target personnel in the areas of educational planning and management.

### **Early Childhood Education and Elementary Teacher Education**

The Department of Elementary Teacher Education was established in 2003. In April 2008, the name of Elementary Teacher Education Department was changed as Early Childhood Education and Elementary Teacher Education Department. The Early Childhood Education and Elementary Teacher Education Department offers ADE, PGD in ECE, BEd, MEd, MPhil and PhD programmes, it also offers “Education” as subject at Matric, Intermediate and Graduate level. BEd (2.5 Years) programme with specialization in Science Education will not only provide a direction to general education but will also ensure that only those who intend to opt for Science Teaching as a profession will join the program. It will enable the Science Teachers to apply their knowledge and skills in real class situation more effectively. Teacher will be enabled to transform the provisions of policy and curriculum in the classroom. Teacher Students will be able to adopt innovative Science Teaching Methods and Science Assessment Models to get maximum outcomes from teaching and learning.

The teachers trained through this program will be able to teach Science at different levels of schooling.

### **Following are the objectives of BEd 2.5 Years with Specialization in Science Education**

After completing this programme, prospective teachers will be able to:

1. Describe the concepts, foundations and perspectives of Science Education
2. Present the pedagogical and content knowledge by using latest information communication system (ICT) in an effective manner.
3. Demonstrate science related attitudes in Science Education.
4. Apply Practical Skills (Science Process Skills) for science teaching.
5. Develop lesson plans and assessment tools for science teaching and learning.

The programme will also cater for the existing elementary school Science teachers and Secondary School Science Teacher as at present their promotion is linked with ADE and BEd (4 Years) degree. Thus this programme will open up new windows for the promotion of school teachers.

### **Eligibility Criteria:**

#### **For Science Education:**

- FSc/ICS/A levels with at least 45% marks or minimum 2nd Division.
- (Applicants with A levels will submit equivalence certificate)

**Introduction:**

Our mission is to promote the development of highly qualified and efficient teaching professionals who are prepared to contribute to the social, cultural, and educational development of society. B.Ed (4 years with Specialization School Leadership and Management) program is a composite program blending Core Courses, Foundation Courses, Professional Courses and Specialization Courses. B.Ed-SLM not only provides direction to general teacher education but will also provide chance to those who intend to opt for leadership and management positions at school level. It requires extraordinary knowledge, commitment, and skills to become effective leaders in education. The prospective teachers after completing this course work and its practical components will learn to teach, lead, manage and supervise schools. It will enable the learner's/future leaders to apply their knowledge and skills in real classroom and school situations more effectively. The teacher trained through this program will be able to teach, plan and manage school upto Higher Secondary Level.

### **Introduction**

BEd (4 Years) Special Education programme imparts education and training to teachers for the special children in four specializations namely Visual Impairment, Hearing Impairment, Physical Disabilities and Mental Retardation with particular emphasis to facilitate mainstreaming of special children. The special education teachers are prepared to link up the distinct needs of toddlers, elementary, secondary, and higher secondary level students living with disabilities. Our mission is to promote the development of highly qualified and efficient teaching professionals who are prepared to creatively contribute to the social, cultural, and educational development of a globally oriented, pluralistic, and diverse society. B.Ed (4 Years) Special Education programme will be a composite programme with a blend of Core Courses, Foundation Courses, Professional Courses, and Specialization Courses. The degree will be an equivalent of the existing master's degree.

### **Objectives**

B.Ed 4 years programme in Special Education is aimed to:

1. To transmit knowledge about the development of special education in global and national perspectives.
2. To raise understanding and enable teachers to debate upon the special educational needs of the children having different types of disabilities.
3. To inculcate knowledge and skills of transitional and vocational planning for children with disabilities.
4. To integrate teachers with competencies to analyze implications in teaching-learning to handicapped children.
5. Raise awareness about the importance of inclusion of children with disabilities in regular educational setup.

### **Prospective Students/Career:**

This programme is designed for those prospective students who wish to join special education schools/institutes as teachers of special children. This program will develop competence to analyze the educational needs of children with disabilities and able to use and adapt the existing text material. Thus, this programme will open up new windows for the promotion of elementary school teachers.

### **Eligibility Criteria**

1. FA/F.Sc/ A levels with 45% marks OR with ADE.
2. Applicants with A level or other certificates will submit an equivalence certificate.

### **Introduction**

B.Ed (4 Years) Special Education programme imparts education and training to teachers for the special children in four specializations namely Visual Impairment, Hearing Impairment, Physical Disabilities and Mental Retardation with particular emphasis to facilitate mainstreaming of special children. The special education teachers are prepared to link up the distinct needs of toddlers, elementary, secondary, and higher secondary level students living with disabilities. Our mission is to promote the development of highly qualified and efficient teaching professionals who are prepared to creatively contribute to the social, cultural, and educational development of a globally oriented, pluralistic, and diverse society. B.Ed (4 Years) Special Education programme will be a composite programme with a blend of Core Courses, Foundation Courses, Professional Courses, and Specialization Courses. The degree will be an equivalent of the existing master's degree.

### **Objectives**

B.Ed 4 years programme in Special Education is aimed to:

1. To transmit knowledge about the development of special education in global and national perspectives.
2. To raise understanding and enable teachers to debate upon the special educational needs of the children having different types of disabilities.
3. To inculcate knowledge and skills of transitional and vocational planning for children with disabilities.
4. To integrate teachers with competencies to analyze implications in teaching-learning to handicapped children.
5. Raise awareness about the importance of inclusion of children with disabilities in regular educational setup.

### **Prospective Students/Career:**

This programme is designed for those prospective students who wish to join special education schools/institutes as teachers of special children. This program will develop competence to analyze the educational needs of children with disabilities and able to use and adapt the existing text material. Thus this programme will open up new windows for the promotion of elementary school teachers.
